---	---	---

Dear motorsport friends,

in cooperation with the city of Isny, the associated districts, the district office Ravensburg and the property owners involved, it is the MSC Isny e.V. again possible, on Saturday, September 2nd, 2023 and on Sunday, September 3rd, 2023 in Isny the 16. Classic Dirt Bike Endurance Race

All-terrain motorcycles built up to 1978 are permitted (no sidecars).

The vehicles must be approved for use on public roads. are also valid Red 07 numbers, classic car registration numbers (no 06 dealer numbers) and short-term license plate.

The driver must be in possession of a valid driver's license (for acceptance please Bring your vehicle registration and driving license with you. **Without presenting a valid driver's license will not be accepted**)

The motorcycles must correspond to the respective era in terms of their appearance and technology. The organizer reserves the right to keep the vehicle presented at the technical inspection Non-compliance with these criteria for the event will not be allowed and the driver the refuse to participate.

The registration deadline is Friday, July 15, 2023. Due to the limited number of participants, the Starting places allocated after registration. Due to the limited number of participants the organizer before the registration deadline no more participants allow.

The entry fee for all classes is € 125.00. The entry fee is for regrets and will only be refunded if the event is cancelled.

Entries can only be made online. The link to the online entry will open published on our website. Registrations received too late cannot be taken into account.

Teams (4 drivers) can register on Saturday, September 2nd, 2023 until 9 a.m. at the Paper acceptance to be reported. **Entry fee for the team € 30.00.**

Driving is on a circuit with a length of approx. 45 km.

The event consists of various tests:

1. *Special tests:*

- Acceleration test with a standing start and free entry to the finish line
- Special test with time measurement

2. *Off-road Reliability Run:*

over probably 2 laps (approx. 90 km) on Saturday and 2 laps (approx. 90 km) on Sunday with integrated special stages (the organizer reserves the right to change the number of rounds!).
